Subject Title: Action to authorize Mayor Teixeira to sign a lease with Nevada Hispanic Services Carson City (NHSCC) to provide various services and programs for the Hispanic community at 1711 N. Roop Street.

Staff Summary: Nevada Hispanic Services wishes to enter into a five-year lease with the City to provide services for the Hispanic community through education, advocacy and community involvement utilizing 1,785 square feet of office space at 1711 N. Roop Street formerly occupied by the Carson City Community Health Clinic. They have proposed that they continue to receive space from the City at no charge. The Community Counsel on Youth is paying \$0.59 per square foot for their space in the same building. Using that same formula, Nevada Hispanic Services would pay \$1,053 per month. Should the Board approve the lease at \$1.00 per year, the value of the lease should be added as an in-kind contribution to Nevada Hispanic Services and reported each year as part of the Community Support Grant Program.
