Does This Action Require A Business Impact Statement: Yes No

Recommended Board Action: I move to extend Contract No. 0304-007 Road Base Aggregate with Canyon Creek Construction to provide Type II Class B Aggregate Base Material at \$7.70 per ton based on delivery in bottom dump trains (approximately 35 tons per load) and an additional \$2.25 per ton will be charged for delivery made with single bottom dumps or endumps (approximately 20 tons per load) for a not to exceed amount of \$60,000 from the Street Maintenance Fund, Water Maintenance Fund, and the Sewer Maintenance Fund and no change in the original terms and conditions as originally awarded through August 7, 2008

Explanation for Recommended Board Action: On August 7, 2003 the Board of Supervisors awarded Contract No. 0304-007 Road Base Aggregate to Canyon Creek Construction to provide Type II Class B Aggregate Base Material at \$6.00 per ton delivered through August 7, 2005 with the option to renew for three (3) additional years subject to negotiation.

On August 4, 2005 the Board of Supervisors extended the contract through August 7, 2006 at a cost of \$6.86 per ton based on delivery in bottom dump trains (approximately 35 tons per load) and an additional \$2.00 per ton will be charged for delivery made with single bottom dumps or endumps (approximately 20 tons per load).
