### Census Data:

Several George Sabin's were found via HeritageQuest Census records (covers all states) but nothing that matched the data provided in the Obituary.

### Judge Sabin's Remains

*The Morning Appeal, Thursday, May 15, 1890*

Yesterday's passenger train brought the remains of Judge Sabin to Carson escorted by his nephew, H. W. Sabin, G. C. Thaxter, T. D. Edwards, C. H. Galusha, Dr. Lee and T. Coffin. A delegation of G. A. R. veterans were at the train to attend their late comrade to the capital, where his remains will lie in state today.

The remains were incased in a handsome casket, with silver mountings and an appropriately engraved plate.

The body was well laid out, and the face had lost none of the soft lines.

All who so desired were allowed to view the remains and many a G. A. R. veteran hovered near to secure a last look.

The funeral ceremonies will take place from the Episcopal church today at 2 o'clock under the auspices of the G. A. R., as it was the expressed desire of the Judge that he should be interred under the direction of that organization.

By request of Custer post Rev. George R. Davis will close the service and deliver the eulogy at the grave.
