

City of Carson City  
Agenda Report

Item # 11A

**Date Submitted:** November 6, 2007

**Agenda Date Requested:** November 15, 2007

**Time Requested:** 10 Minutes

Place on the agenda  
before GROW's  
presentation of the  
\$20,000 donation  
check

**To:** Mayor and Supervisors

**From:** Parks and Recreation Department and Public Works Department

**Subject Title:** Action to adopt and approve the Cooperative (Stewardship) Agreement between the Carson City Board of Supervisors; Carson City, Nevada; and the State of Nevada - Department of Transportation for the Carson City Freeway's "Ultimate" Landscaping for Phase 1 (Northern Leg).

**Staff Summary:** Through the ongoing efforts of Gardeners Reclaiming Our Waysides (GROW), Carson City has received federal and state funds to provide landscaping and irrigation system improvements, including hardscape elements at the Carson City Freeway's Phase 1 (Northern Leg) interchanges and grade separations. If the Board of Supervisors approves this Cooperative (Stewardship) Agreement, Carson City will assume project management, design, bidding, and construction responsibilities for this project.

**Type of Action Requested:** (check one)

Resolution

Ordinance

Formal Action/Motion

Other (Specify)

**Does This Action Require A Business Impact Statement:**  Yes  No

**Recommended Board Action:** Move to adopt and approve the Cooperative (Stewardship) Agreement between the Carson City Board of Supervisors; Carson City, Nevada; and the State of Nevada -Department of Transportation for the Carson City Freeway's "Ultimate" Landscaping for Phase 1 (Northern Leg).

**Explanation for Recommended Board Action:** Over the past 10 years, Gardeners Reclaiming Our Waysides (GROW); Carson City, Nevada; and the State of Nevada - Department of Transportation have been working together through an exhaustive public process to develop a conceptual design and funding sources for the Carson City Freeway's "Ultimate" Landscaping on Phase 1 (Northern Leg). Through GROW's efforts, Carson City has received \$1,710,945 in Federal Transportation Improvement funds and \$500,000 in State (NDOT) Community Match funds for a total project construction budget \$2,210,945. These funds will be used to construct proposed landscaping and irrigation system improvements, including hardscape elements within a project area that includes the Carmine Street Grade Separation to the North Carson Street Interchange.
