COMMUNITY COVENANT

SUPPORTING THOSE WHO SERVE

Together we are committed to building strong communities.

We the citizens of Carson City, Nevada recognize the commitment service members and their families are making every day.

The strength of service members comes from the strength of their families.

The strength of families is supported by the strength of the community.

The strength of the community comes from the support of employers, educators, civic and business leaders and caring citizens.

We the members of the community are committed to building partnerships that support the strength, resilience and readiness of service members and their families.
