NOTICE TO CONTRACTORS

BID #0910-143

Production Well 41 Drilling, Construction and Testing Project Labor Commissioner PWP#CC-2010-144 Public Works Project No. 4.0621 Engineer's Estimate: \$650,000

February 3, 2010

Addendum No. 1

Please make the following additions/changes to the above referenced project.

Clarifications:

1. Where is the source of water for drilling and will the city be providing it to the contractor?

Carson City Public Works will provide the contractor with a 2" water connection that will be located inside the existing well building. Hose will be disconnected and the building shall be locked when water is not required.

2. Are there going to be any sound walls required for this project?

No Sound Walls will be required.

3. Are we required to dispose cuttings and drilling fluids off site?

All cuttings shall be disposed of at the Carson City Reclamation Plant at 3320 East Fifth Street.

 Access gate to River View Park shall be kept closed at all times and locked during nonworking hours. Contractor may insert his own lock into the chain located at the access gate.
