Attached is the Carson City Redevelopment Authority Tentative Budget for Fiscal Year 2011/12. This budget is presented in accordance with NRS 354. This budget is fiscally sound, and all funds are balanced. It includes fund balances that are set aside to provide for future financing and cash flow requirements. The FY 2011/12 Redevelopment Authority budget contains three governmental funds with total expenditures of \$1,690,204.

The ad valorem property tax rate has been established at \$2.7583 per \$100 of assessed valuation for FY 2011/12. The assessed valuation in the Redevelopment District decreased from \$86,695,671 in FY 2010/11 to an estimated \$60,597,033 in FY 2011/12 mainly due to the increased lowering of land values in the District.

The Redevelopment Authority Fund is financially stable for FY 2011/12 and can meet its debt obligations. The Redevelopment District will continue to add new value to the ad valorem property tax base by attracting new projects, new construction and significant adaptive reuse of historic and meaningful buildings.
