## Item F-1

### CARSON AREA METROPOLITAN PLANNING ORGANIZATION REQUEST FOR BOARD ACTION

**Date Submitted:** October 1, 2012

**Meeting Date:** October 10, 2012

**To:** Carson Area Metropolitan Planning Organization

**From:** Dan Doenges, Senior Transportation Planner

**Subject Title:** Information only on a proposed amendment to the CAMPO Fiscal Year 2013 Unified Planning Work Program (UPWP).

**Staff Summary:** Staff is proposing an amendment to the UPWP to modify the budget to reflect the use of Consolidate Planning Grant (CPG) funds, which are the combined allotment of Federal Highway Administration (FHWA) Planning (PL) funds and Federal Transit Administration (FTA) Section 5303 funds. A recently signed memorandum of understanding (MOU) between FHWA, FTA, the Nevada Department of Transportation (NDOT) and Nevada's four metropolitan planning organizations (MPOs) allows for this provision.

**Type of Action Requested:** (check one)

(  ) None – Information Only

(  ) Formal Action/Motion

**Recommended Board Action:** N/A

**Explanation for Recommended Action:** Staff is proposing to amend the UPWP to modify the budget to reflect the use of CPG funds. CAMPO, along with FHWA, FTA, NDOT, and Nevada's three other MPOs, recently signed a MOU that allows PL and Section 5303 funds to be combined into one funding source that is reimbursable at a 95 percent rate; requiring a five percent local match. Previously, PL funds were reimbursable at a 95 percent rate, but 5303 funds were only reimbursable at an 80 percent rate, requiring a 20 percent local match.

As required, a 30-day public comment period was noticed and initiated on September 30. A public information meeting regarding the proposed amendment to the UPWP will be held at the Carson City Community Center in the Bonanza Room from 4:00 p.m. to 6:00 p.m. on Tuesday, October 16. Any comments received by staff at the meeting or otherwise will be recorded and presented to CAMPO when staff will seek formal action for approval of the UPWP amendment at the November meeting.

## Item F-2

### CARSON AREA METROPOLITAN PLANNING ORGANIZATION REQUEST FOR BOARD ACTION

**Date Submitted:** October 1, 2012

**Meeting Date:** October 10, 2012

**To:** Carson Area Metropolitan Planning Organization

**From:** Dan Doenges, Senior Transportation Planner

**Subject Title:** Information only on a proposed amendment to the CAMPO Fiscal Year 2013 – 2016 Transportation Improvement Program (TIP).

**Staff Summary:** Staff is proposing an amendment to the TIP to add a transit project to the list of programmed projects.

**Type of Action Requested:** (check one)

(  ) None – Information Only

(  ) Formal Action/Motion

**Recommended Board Action:** N/A

**Explanation for Recommended Action:** Staff is proposing to amend the TIP to include a feasibility study to document the condition and adequacy of an existing facility used to maintain several vehicles in the Carson City fleet, including JAC transit vehicles, as well as to develop a design for a new facility to maintain these vehicles. The feasibility study would include environmental documentation and the development of a staging and financing plan.

Due to the acquisition of new and larger buses, as well as other vehicles used by the Carson City Public Works Department, there is an apparent need to develop a new facility to maintain these vehicles. As the potential facility would not be used exclusively to service transit vehicles, this project would be partially funded with local funds in addition to Federal Transit Administration (FTA) funds and required match. However, the new facility would be designed with two bays dedicated primarily to service transit vehicles.

As required, a 30-day public comment period was noticed and initiated on September 30. A public information meeting regarding the proposed amendment to the TIP will be held at the Carson City Community Center in the Bonanza Room from 4:00 p.m. to 6:00 p.m. on Tuesday, October 16. Any comments received by staff at the meeting or otherwise will be recorded and presented to CAMPO when staff will seek formal action for approval of the TIP amendment at the November meeting.
