more in the future were noted. Chairperson Teixeira pointed out that Mr. Tate is not a newcomer to the liquor business and is aware of the Board/community's seriousness about serving alcoholic beverages to minors. Mr. Tate has been a good corporate citizen in the community. Member Furlong advised that the Sheriff's Department had done its background check on Mr. Tate and had no objections to his obtaining the license. Mr. Tate indicated that he is well aware of the community's seriousness about serving minors. They have "educated trainers" and an active training program for their personnel. He is also concerned about excessive drinking. He wishes to remain in business for 20 years and not five months. **Member Livermore moved to approve a full bar liquor license for Mr. David Scott Tate, owner of Carson Cactus Jack's Corporation, dba Cactus Jack's Senator Club, located at 420 North Carson Street; fiscal impact is \$1,000 for original new fee, \$500 for an investigation fee, and \$200 for a quarterly fee. Member Staub seconded the motion.** Member Livermore thanked him for his substantial investment in downtown Carson City. It brings the City credibility when a corporation of Mr. Tate's type does that. He welcomed him to the downtown area and indicated that Member Williamson is eager to work with him as a member of the Redevelopment Authority. Mr. Tate explained that the corporation's big investments are in the downtown areas. They support redevelopment and want to be a positive part of it. He again stated that they want to be in business for the long term.

Mr. Dehne commended the Board on its decision to not allow casinos to send their representatives to the Board sessions. It is a good idea to have the owners be present and it is good for the viewers at home as they get to see the individuals. He felt that there are more and more nightclubs and casinos in Carson City. They are expanding here. He reiterated his belief that the City needs to have scheduled airline service for those individuals.

**The motion to approve the liquor license as indicated was voted and carried 5-0.** Chairperson Teixeira thanked Mr. Tate for his investment in the community and wished him luck with his new operation. Mr. Tate indicated that he has previously attended a lot of council meetings. A listing was provided to illustrate his point. He appreciated having had the invitation to visit with the Board.

There being no other matters for consideration, Chairperson Teixeira adjourned the Liquor and Entertainment Board.
