Subject Title: Action to introduce, on first reading, an ordinance amending the Carson City Municipal Code, Title 7, Animals, by adding Chapter 7.01, Bear Proof Collection Bins, Containers, and Structures, and adding Section 7.01.010, Definitions, Section 7.01.020 Statement of Intent, Section 7.01.030 Applicability, Section 7.01.040, Collection Bin, Container and Structure Maintenance, Section 7.01.0500, Authority to Issue Citations, Section 7.01.060, Violation and Penalty, Section 7.01.070, Severability and other matters properly related thereto.

Staff Summary: One of the major reasons bears are drawn into the community is that they are searching for food and unattended garbage cans are a prime source. The other problem is that some people intentionally leave food for the bears. The concern with this is that it does draw the bears into more contact with humans and at some point there could be a devastating encounter. This proposed ordinance will put some controls on feeding bears and consequences of leaving cans out in such a manner that bears are attracted.
