**Subject:** HRC-10-006  
2010 Historic Preservation Fund Grant

### DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

Planning Division staff will provide the HRC and the general public with an update to the status of the 2010 Historic Preservation Fund (HPF) grant, which will result in a National Register Nomination for the Carson City Historic District and the survey of 50 properties in the Carson City Historic District.

The Planning Division staff has started the requested research from the consultant and has completed the Carson City contract process. The funding agreement has been signed and returned to the State Historic Preservation Office of Nevada (SHPO). The SHPO has approved a request for an extension of time for the grant to September 15, 2011, per the consultants request as a result of unforeseen scheduling conflicts. Lastly, the consultant and Carson City has completed the contact process.
