^{*} MSW = Municipal solid waste

To receive Carson City residential rates, the landfill customer must show proof of residency.

To receive the Wood Waste, Green Yard Waste, or Class III (inert) rates the loads must be comprised strictly of that material only. If the loads do not conform to this and are mixed in nature, the loads will be charged at the rate for the most expensive material. EXAMPLE: a load is predominately Class III but contains any amount of asbestos containing material, the complete load will be charged at the rate for asbestos.

(Ord. 2006-19 § 3, 2006: Ord. 2004-4 § 3 (part), 2004)

SECTION II: That no other provisions of Title 12 of the Carson City Municipal Code are affected by this ordinance.
