8. The illegality or invalidity of any provision or portion of this Agreement shall not affect the validity of the remainder of the Agreement.
9. All or any property presently owned by either party shall remain in such possession upon termination of this Agreement, and there shall be no transfer of property between the parties during the course of this Agreement.
10. Nothing contained in this Agreement is intended to convey any rights or to create a contractual relationship with any third Party or to otherwise allow a third Party to assert a cause of action against either COUNTY or CITY arising from, or related to, this Agreement.

In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused Party is obligated to promptly perform in accordance with the terms of the Agreement after the intervening cause ceases.
18. If any provision contained in this Agreement is held to be unenforceable by a court of law or equity, this Agreement shall be construed as if such provision did not exist and the

nonenforceability of such provision shall not be held to render any other provision or provisions of this Agreement.

19. Any future modification of the mutual Agreement shall be subject to the provisions covered by this Agreement and approval of such modifications shall be in writing and signed by a representative of each Party.

IN WITNESS WHEREOF, The parties have executed this Agreement on the day and year first above written.
