**Explanation for Recommended Board Action:** At the direction of the City Manager's Office, the City's Public Information Team developed a preliminary plan for the marketing of JAC service and sought proposals for services from qualified marketing firms. Two proposals were received. After reviewing the proposals, the Public Information Team selected MacWest Marketing based on the firm's proven capabilities and recent positive experiences completing other work for Carson City. MacWest Marketing then developed a detailed scope of work that was reviewed by City staff for presentation to the RTC. MacWest Marketing presented the proposed scope of work and cost to the RTC, which formally recommended a one-year contract for \$70,000 with a 10% contingency for a total contract amount not to exceed \$77,000.
