Recommended Board Action: I move to accept the recommendation of the Open Space Advisory Committee to make an offer to Hall and Deborah Hutchison for the purchase of approximately 40 acres in fee title on property located at Kings Canyon Road two miles west of the paved terminus of Kings Canyon Road and east of Horse Creek Ranch, APN 7-051-07.

Explanation for Recommended Board Action: Besides the parcel location in a priority area for the protection of the scenic resources, the property was identified in the U.S. Forest Service Landscape Analysis to be the subject of a pedestrian trail accessing a vista point commanding scenic views of Washoe, Eagle, and Carson Valleys. The City Charter and state law empowers the Board of Supervisors to purchase land.

Applicable Statute, Code, Policy, Rule or Regulation:

Open Space Master Plan / C.C.M.C. Chapter 13.06 / City Charter / N.R.S. Section 244.275

Fiscal Impact: \$400,000 plus one-half of escrow related fees and costs (approximately \$1,000). The State of Nevada Question 1 conservation grants has awarded 75% of the estimated cost for this transaction.

Explanation of Impact: The cost of the land was established by a self-contained appraisal conducted by Dan Leck, MIA. Upon the Board of Supervisors' acceptance of a reimbursement agreement with the State of Nevada, 75% of the project costs are to be refunded to Carson City.

Funding Source: Open Space fund

Alternatives: Not to make an offer to purchase.
