(Larry Werner)

Staff Summary: The Development Coordination Agreement (DCA) is the first step in preparation of the analysis to define the specifics of the project formerly known as the Carson Nugget Economic Development Project. The DCA identifies the desired project elements, evaluates potential sources of funding and determines the components of a possible final project. The DCA defines the roles and responsibilities of the parties in preparing the analysis, the time for completing the project (90 days after approval of the agreement), the project deliverables and the costs. The total cost for the DCA is \$166,365 with \$75,000 from the Hop and Mae Adams Foundation, \$75,000 from the Carson City Redevelopment Authority and \$16,365 from the Carson City Library Gift Fund. Upon completion of the DCA and acceptance by the Authority and the Board of Supervisors, the preparation of Development Disposition Agreement(s) (DDA) will begin.
