NOTICE TO CONTRACTORS
BID #1516-033
Eagle Creek Bridge Project

Addendum No. 1

During the pre-bid meeting a the following question was asked:

1. Q: Is the bridge manufacturer responsible for delivering the bridge to the bridge site? Also the access gate to the bridge site looks narrow, who is responsible for removing fence or other obstacle if needed.

A: The bridge manufacturer is responsible for delivering the bridge to the site, but access must be provided for them which is the responsibility of the Contractor and should be considered in the bid. Please include the cost for a possible fence post removal and replacement in the bid under bid item 10, Bridge Installation.

Note: SC 8.1.12 on Page SC-12 of the Special Conditions states the following:

SC 8.1.12 Bridge Installation (BP.9)

- 1.) Measurement of this item will be on a per each basis.
- 2.) Payment for Bridge Installation will be based on the Unit Price named in the Bid Response, which price shall constitute full compensation for all work necessary to remove the prefabricated bridge from the delivery truck, install the bridge on the abutments, and installation of all nuts and washers. This item includes cranes and other equipment, labor, equipment, as well as nuts, washers, materials, and all incidentals necessary to complete the work as specified. This item also includes coordination with the bridge manufacturer as well as any temporary work necessary to get the delivery trucks and the Contractor's crane into suitable locations for bridge installation.
