Dear ~~Mr. Marano~~ ^{Nick}:

Welcome to the League!! We derive our strength from our members and having Carson City rejoin us will make us a stronger organization. I look forward to working with you, the Board of Supervisors and staff in the coming year and into the future.

We are busy planning our annual conference and believe that we are putting together another exciting, educational program that will include unique social events that will offer your representatives the chance to network with their municipal colleagues from across the state. We thank the City of Sparks for hosting this year's conference and hope to see you all at the Nugget in October.

Next year is a legislative year and we are working to develop our BDRs and strategy for the session. Our new caucuses have been meeting and are finalizing their recommendations for BDRs and will present them to the Board of Directors for their approval at our August meeting.

Please place an item on an upcoming agenda to appoint one of the members of the Board of Supervisors as Carson City's representative on our Board of Directors. ←

Enclosed please find an invoice for Carson City's League dues for FY16-17. Again, welcome to the League. Please let me know whenever we can be of assistance.

Sincerely,

Wes Henderson
Executive Director
