## A RESOLUTION OF THE CARSON CITY BOARD OF SUPERVISORS ACCEPTING A FEE SCHEDULE FOR USE IN BILLING FOR FIRE DEPARTMENT SERVICIES.

**WHEREAS,** Carson City owns and provides fire, emergency medical services, emergency management, and educational resources; and

**WHEREAS**, these resources are made available to other government agencies, private organizations or businesses, and the general public; and

WHEREAS, these resources are often used to mitigate an emergency or incident caused by the intentional or negligent act of an individual(s) during the commission of a crime; and

**WHEREAS,** the costs incurred to provide these resources should be borne by the agency, individual, or organization that uses said resources and/or is responsible for the acts that lead to the need to utilize these resources; and

**WHEREAS,** Carson City desires to continue to provide these costs with minimal impact to the citizen's of Carson City;

**NOW, THERFORE,** the Board of Supervisors hereby resolves that the fee schedule below shall be adopted and utilized effective January 1, 2014 when the Carson City Fire Department seeks reimbursement for services provided under assistance for hire circumstances, for the provision of elective educational programs, or to seek restitution in the case of a conviction in a court of law.

The following fee schedule shall apply for all billable fire department standby events, mutual aid responses, and/or for the purpose of cost recovery. The rates are for a minimum period of two hours.
