PUBLIC WORKS DEPARTMENT, BUSINESS LICENSE DIVISION - POSSIBLE ACTION TO APPROVE CHANGING THE GALAXY FANDANGO 10 LIQUOR LICENSE (LIQUOR LICENSE NO. 13-25892, LOCATED AT 4000 SOUTH CURRY STREET, CARSON CITY, FROM DINING ROOM WITH BEER AND WINE TO DINING ROOM WITH HARD LIQUOR (8:56:36) - Mayor Crowell introduced this item, and Senior Business License Technician Lena Reseck reviewed the agenda materials, noting staff's recommendation of approval. (8:57:17) Mayor Crowell invited Rafe Cohen to the podium, and he explained the purpose for the requested change. In response to a question, Mr. Cohen expressed the opinion that the Galaxy Fandango is "doing very well. We haven't had any problems or complaints. We card everybody." In response to a question, he advised that alcohol is permitted for consumption anywhere in the building. "But ... we don't have barstools. You can't sit there and drink for a long period of time. We don't have tables. It's for someone who, currently, gets a beer, maybe a popcorn and goes in and watches a movie. And so that's where it's consumed. It's really not a place where people go to drink excessively because, one, we're not cheap in what we charge for a drink as compared to casinos ... So, people typically will buy a drink and then go in to see a movie ... and they typically don't come back out." Member McKenna requested Mr. Cohen to be aware of the possibility of an adult purchasing alcohol for a minor and requested him to consider implementing a monitoring program.

(9:00:00) Clinton Leazer described theater checks which are conducted by employees. "And so, at that point in time, we can ... monitor to a certain level ... And we have individuals who go up the stairs ... checking for outside food and drink." Mr. Leazer suggested that the employees could check on "who
