Subject: FY 2015 TAP Scoring Committee Scores

Good News!

NDOT has released the results of their committee's scoring of Transportation Alternative Program (TAP) applications, and we did quite well.

As you can see on NDOT's website (link) below, the Carson freeway Multi-use Path application finished in 2nd among the infrastructure projects. The application for the Western Nevada Safe Routes Coordinator also scored well in the non-infrastructure section.

It is important to note that NDOT conducted this process for the next fiscal year's Federal funds, which are not available yet. In fact, the current transportation bill expires with the current Federal fiscal year, and the funding the Highway Trust Fund needs to be addressed.

With those caveats, this is a big step in the right direction. Should a similar amount of funding be made available October 1, our projects would be funding and we'd be able to proceed through the process. Thank you all for your support, it is very much appreciated. Please feel free to share this with other supporters I may have missed.

Subject: FY 2015 TAP Scoring Committee Scores

Good Afternoon FY 2015 TAP Applicants,

We wanted to take a moment and let everyone know that the scores from the FY 2015 TAP Scoring Committee have been tallied. They are available by going to [http://www.nevadadot.com/uploadedFiles/NDOT/About NDOT/NDOT Divisions/Planning/2015 TAP Scoring Tally.pdf](http://www.nevadadot.com/uploadedFiles/NDOT/About%20NDOT/NDOT%20Divisions/Planning/2015%20TAP%20Scoring%20Tally.pdf). Please note that these projects are not yet funded. Once funding becomes available applicants will be contacted.

Sincerely,

Tim

Tim Mueller
TAP Manager
NDOT
