

# PROCLAMATION

## Recognizing CMS Recycle/Environmental Club

Earth Day 2011

*WHEREAS*, the youth of our community are our most valuable resource and have the creativity and ability to seek feasible solutions to environmental challenges so that they, and future generations, can live in a healthy and sustainable manner; and

*WHEREAS*, environmental education encourages knowledge and understanding about environmental and economical challenges; and

*WHEREAS*, environmental education helps youth develop the necessary skills and expertise to address the environmental and economical challenges we face; and

*WHEREAS*, the sense of environmental responsibility reached through environmental knowledge acts as a catalyst for future participation in sustainable action; and

*WHEREAS*, the natural resources of the state and nation should be used wisely and with due consideration of the future, and wise use of these resources should be the concern of government at the local, state and national levels.

*NOW, THEREFORE*, I, Robert L. Crowell, Mayor of Carson City, do hereby issue this proclamation in recognition and support of the Carson Middle School Recycle/Environmental Club for their ongoing recycling and upcycling efforts, and wish them success with their current project of creating a wetlands habitat out of a drainage pond at Carson Middle School.

Dated this 7th Day of April 2011.
