Subject Title: For Possible Action: To authorize the Carson City Sheriff's Office to sign an Inmate Telephone Services Agreement with Inmate Calling Solutions, LLC, dba ICSolutions (ICS) to provide inmate telephones services for the Carson City Jail Facility. This is a revenue generating agreement and there are no expenditures associated with this agreement. (File No. 1415-150) (Kim Belt)

Staff Summary: The current inmate phone provider for the Carson City Jail is Inmate Calling Solutions (ICS). We have been very satisfied with the service they provided as well as the function of the system as it was set up many years ago. We are currently looking to upgrade the current Inmate Calling Solutions system to their new offering called Enforcer. It utilizes new technology not available when we first signed with ICS. The Enforcer system uses off site servers, streamlines/reduces the fee structure, greatly enhances our ability to investigate crimes through the new search capability, and adds an interactive inmate information call line.

Approximately \$60,000 in revenue is generated per fiscal year.

Recommended Board Action: To authorize the Carson City Sheriff's Office to sign an Inmate Telephone Services Agreement with Inmate Calling Solutions, LLC, dba ICSolutions (ICS) to provide inmate telephones services for the Carson City Jail Facility. This is a revenue generating agreement and there are no expenditures associated with this agreement. (File No. 1415-150)

Explanation for Recommended Board Action: The current ICS system, although working as designed, is outdated. The proposed Enforcer system upgrade uses voice print technology which will allow for many benefits at our facility. It will prevent inmates from fraudulently using other inmate's phone accounts as well as enhance our ability to investigate and track calls placed. This system will also allow Keyword and Phrase search which greatly reduces the overall time spent investigating calls.

The upgrade also contains a new feature called the Attendant. This is an interactive voice response information line where a member of the public can call in and gather information on an inmate in our custody. It allows them to get charges, court information, bail amount and release dates without having to contact a deputy.

ICS has also simplified the calling fee structure to eliminate a call surcharge and a per-minute fee to just a per-minute fee. A fee is still charged to set up the ability accept collect calls from an inmate that does not have funds on their phone account, but limits that fee one time per month instead of per call. Overall this new fee structure will streamline fees and ultimately let the inmate know what his call will cost.

INMATE TELEPHONE SERVICES AGREEMENT

This Inmate Telephone Services Agreement ("Agreement") is made by and between Inmate Calling Solutions, LLC, d/b/a ICSolutions ("ICS"), having its principal place of business at 2200 Danbury Street, San Antonio, TX 78217, and Carson City Sheriff's Office (the "County") having its principal address as set forth on Exhibit A, attached hereto.

- 1. Term of Contract.** This Agreement shall commence on _____, 2015 (the "Effective Date") based on this Agreement being fully executed not less than 30 days prior to such date and shall remain in force and effect for three (3) years from the Effective Date. This Agreement shall automatically renew for two (2) additional terms of one (1) year, each upon the same terms and conditions as set forth herein, unless either party otherwise provides written notice to the other party at least ninety (90) days prior to a scheduled renewal. Notwithstanding the foregoing, either party may terminate this Agreement, based on a material, adverse economic change beyond such party's reasonable control, with sixty (60) day's prior written notice. Furthermore, in the event ICS fails to perform the services or duties outlined in this Agreement and such failure shall continue for a period of thirty (30) days after the giving of written notice thereof by County, then, County shall have the right to cancel this Agreement without charge or liability. Upon termination of this Agreement, County shall immediately cease the use of any Equipment provided hereunder.
- 2. Equipment.** This Agreement applies to the provision of Equipment by ICS within space provided by the County at each of the "Service Locations" listed on Exhibit A, attached hereto. The term "Equipment" is defined herein as telephone sets and computer systems and software, all as more fully described on Exhibit B, attached hereto. All Equipment shall be installed by properly trained personnel and in a good, workmanlike manner. Any Equipment of ICS installed upon the premises owned, leased or otherwise under the supervision of County, shall remain in all respects the property of ICS. ICS reserves the right to remove or relocate any Equipment that is subjected to recurring vandalism or insufficient usage. ICS shall not exercise such right of removal or relocation unreasonably and, in any case with at least thirty (30) days prior notice to County. Upon removal of Equipment by ICS, ICS shall restore the premise to its original condition, ordinary wear and tear excepted.
- 3. Alteration and Attachments.** County shall not make alterations or place any attachments to Equipment and Equipment shall not be moved, removed, rendered inoperable or unusable, or made inaccessible to inmates or users by County without the express written permission of ICS.
- 4. Training.** ICS shall provide on-site training plus internet-based training at no cost to County. Additional training may be provided upon County's request based on availability of ICS.
- 5. Call Rates.** ICS shall provide collect calling services to End-Users, on both a pre-paid and post-billed basis, at the rates and charges set forth on Exhibit C, attached hereto. ICS reserves the right to establish thresholds for the level of collect call credit to be allowed by the billed consumer. Rates and charges may be subject to change based on an order or rule of a regulatory authority having applicable jurisdiction.
- 6. Commissions to County.** ICS will install, operate and maintain Equipment at no charge to County. ICS will pay County the commission amounts set forth on Exhibit D, attached hereto (collectively the "Commissions"), in consideration of the County granting ICS exclusive rights for the installation and operation of Equipment servicing the Locations. No Commissions shall be paid to County on amounts relating to taxes, regulatory surcharges such as universal service fund, or other fees and charges not applicable to the billed calls.

ICS will pay Commissions to County on a monthly basis on or before the first business day occurring 45 days following the end of the month in which such Commissions are earned or accrued. Such Commissions shall be sent to the address designated by County or wired to an account designated in writing by County for such purpose.

County agrees that all Commissions are subject to change based on any changes that may be required by the applicable Public Service Commission or any policy, regulation or tariff governed by a regulatory body having jurisdiction over the public communications contemplated herein. In addition, Commission rates are predicated on County maintaining an average daily inmate population consistent with the average of the three months preceding the Effective Date and having access to telephones materially consistent with industry practice.

7. County shall:

- a. Advise ICS of any Services Location or related premise that has been closed.
- b. Throughout the term of this Agreement, including any renewal terms, use ICS as its exclusive provider for all matters relating to inmate telecommunication services.
- c. Reasonably protect the Equipment against willful abuse and promptly report any damage, service failure or hazardous conditions to ICS.
- d. Provide necessary power and power source, at no cost to ICS, and an operating environment with reasonable cooling consistent with general office use.
- e. Provide suitable space and accessibility for inmates' use of telephone services.
- f. Permit ICS to display reasonable signs furnished by ICS and not affix or allow to be affixed any other signs, equipment or information to the Equipment.
- g. Permit reasonable access by ICS to County's Locations as reasonably necessary for ICS to install, support and maintain the Equipment.
- h. Comply with all federal, state and local statutes, rules, regulations, ordinances or codes governing or applicable to the telephone services offered by ICS.

8. Law and Venue. The domestic law of the State of Nevada shall govern the construction, interpretation and performance of this Agreement and all transactions hereunder. All disputes hereunder shall be resolved exclusively in state or federal jurisdictions located in Carson City/County of Nevada.

The County represents and warrants that it has the legal authority to make decisions concerning the provisions of space for telephones placed by ICS at the Service Locations covered by this Agreement and that ICS may rely thereon. This Agreement supersedes any prior written or oral understanding between the parties.

11. **Risk of Loss.** ICS shall relieve County of all risk of loss or damage to Equipment during the periods of transportation and installation of the Equipment. However, County shall be responsible for any loss or damage to Equipment located on the premise caused by fault or negligence of County, its employees or others under County's supervision.
12. **Default.** In the event either party shall be in breach or default of any terms, conditions, or covenants of this Agreement and such breach or default shall continue for a period of thirty (30) days after the giving of written notice thereof by the other party, then, in addition to all other rights and remedies at law or in equity or otherwise, including recovering of attorney fees and court cost, the non-breaching party shall have the right to cancel this Agreement without charge or liability. The waiver of any default hereunder by either party shall not constitute, or be construed as, a waiver of any subsequent default.
13. **Assignment.** This Agreement may be transferred or assigned, in whole or in part, by ICS to any parent, successor, subsidiary, or affiliate of ICS. ICS may sub-contract any portion of its duties hereunder provided, however, it shall remain at all times responsible for such sub-contracted duties. This Agreement may otherwise only be transferred or assigned by a party with the written consent of the other party, which consent shall not be unreasonably withheld or delayed.

15. **Indemnification.** Each party shall indemnify, defend and hold harmless the other party from and against any and all claims, losses, injuries, or demands asserted by third parties (collectively "Claims") arising from the material breach, negligent acts or misconduct of such indemnifying party, its agents or employees, in the performance of any of its obligations hereunder. Except for the foregoing express indemnification, each party shall bear its own liability and costs of defense for any third party claims.
16. **Force Majeure.** Either party may suspend all or part of its obligations hereunder and such party shall not otherwise be held responsible for any damages, delays or performance failures caused by acts of God, events of nature, civil disobedience, military action or similar events beyond the reasonable control of such party.
17. **Severability.** If any of the provisions of this Agreement shall be deemed invalid or unenforceable under the laws of the applicable jurisdiction, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligations of ICS and County shall be construed and enforced accordingly.
18. **Special ADA.** ICS will install Equipment in accordance with the Americans with Disabilities Act and any related federal, state and local regulations in effect at the time of installation. ICS shall make any alterations to the Equipment as necessary for its correct operation and/or compliance with applicable laws at no cost to County.
19. **Limitation of Liability.** IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY LOSS OF PROFITS, LOSS OF USE, LOSS OF GOODWILL, CONSEQUENTIAL,

SPECIAL OR PUNITIVE DAMAGES REGARDLESS OF THE FORM OF ANY CLAIM, WHETHER IN CONTRACT OR IN TORT OR WHETHER FROM BREACH OF THIS AGREEMENT, IRRESPECTIVE OF WHETHER SUCH PARTY HAS BEEN ADVISED OR SHOULD BE AWARE OF THE POSSIBILITY OF SUCH DAMAGES.

20. **Warranty.** Subject to County's compliance with its obligations hereunder, Equipment shall be free from defects in workmanship and material, shall conform to ICS' published specifications in effect on the date of delivery or as otherwise proposed to County in writing, and shall not infringe any patent or trademark. This warranty shall continue while Equipment is in operation at each Location. No warranty is made with respect to the use of Equipment on or in connection with equipment or software not provided by ICS.
