Re: Request to withdraw Case SUP-14-081 (a) – Board of Supervisors Appeal

Honorable Mayor Crowell,

On behalf of my client and the applicant, WSCC Inc. dba Sierra Wellness Connection, this letter serves as our formal request to withdraw the appeal and remove it from the Carson City Board of Supervisors agenda scheduled for public hearing tomorrow October 1, 2015 (Agenda item #21B).

I have been advised by Sierra Wellness Connection that they will accept the decision of the Planning Commission of August 26, 2015.

Please let me know if you need any additional information. I thank you and the Board of Supervisor members, along with your staff for your professionalism throughout this entire process and looking forward to working with all of you in the future.

Sincerely,
