**Report To:** Board of Supervisors

**Meeting Date:** 12/17/15

**Staff Contact:** Darren Schulz

**Agenda Title:** McFadden Resolution

**Staff Summary:** Bob McFadden loved Carson City. He was especially enthralled with the rich tradition and true Americana that is the Capital of Nevada. As a history buff, real estate expert, collector of anything Nevada from fine art and rare bottles to Casino memorabilia, Bob was a true visionary. He saw the potential in restoring dilapidated historical buildings and homes from the 1800's forward and their surrounding commercial districts. Bob's revitalization of the St. Charles Hotel, 3rd and Carson, the Desert Air Motel and the Krebs-Peterson Mansion are just a few examples of the accomplishments of a man with great love for his community. For this reason and so many more, it is with great pride and appreciation for all of his efforts in bringing back Carson City to its original boom-town luster, that a memorial area where Families, Friends, and City Leaders can gather and reflect on the greatness of Carson City, Nevada. This location shall be deservedly named the Bob McFadden Plaza.
