Staff Report**

Meeting Date: April 5, 2016

Agenda Item Number: 3A

Applicant: Roger Moellendorf

Request: **For Possible Action:** To recognize Chuck Adams for his service to the Carson City Parks and Recreation Commission and the Carson City Parks and Recreation Department since 2008.

General Discussion: Attached as Exhibit A is a resolution recognizing Chuck Adams for his service to the Parks and Recreation Commission and the Department since 2008 and his overall support and dedication to parks and recreation.

Chuck has served the Commission since 2008, in addition, he and his family has been users of parks and recreation programs and facilities for many years before that. Chuck started his tenure with the Commission during the depths of the Great Recession as a result he saw the significant budget reductions that the Department endured but he also participated in some very significant achievements as well, such as the completion of the Multi-purpose Athletic Center, the growth of recreation and sports programs, the acquisition of Federal lands through the Lands Bill and the growth of trails and pathways in Carson City. Throughout his service on the Commission, Chuck has been a great leader, friend and supporter of parks and recreation.

Recommended Action: I move to recognize Chuck Adams for his service to the Parks and Recreation Commission since 2008.
