## **Background/Issues & Analysis**

The business was closed in November 2015, and purchased by Hohl Motorsports in February 2016. The intent of applying for a permanent liquor license is for the ability to serve liquor during special events instead of applying for special event liquor permits. Battle Born Harley-Davidson is anticipating 10-20 special events during the course of a year, to include, but not limited to poker runs, rallies, and Street Vibrations. Issuing a permanent liquor license to Battle Born Harley-Davidson instead of a special event liquor permit will provide a continual point of contact for the sales and service of liquor, and require all employees to attend an alcohol server training course. However, a permanent liquor license does not exempt Battle Born Harley-Davidson from the special event permitting process.
