Staff Summary: NRS 251.030 requires the Chief Financial Officer (for the purpose of the statute acting as the County Auditor) to report to the Board of County Commissioners (or in our case the Board of Supervisors), at each regular meeting thereof, the condition of each fund in the treasury. NRS 354.290 requires the County Auditor to report to the Board of Supervisors a statement of revenues and expenditures based on the accounts and funds as were used in the budget. A more detailed accounting is available on the City's website – www.carson.org.

Background/Issues & Analysis

A "Statement of Cash Receipts and Disbursements" is attached indicating the beginning balance, receipts, disbursements, and the ending balance of each cash account for every fund in the City as of January 6, 2017.

It is important to note that there will always be timing differences with these balances - for example while all departments take deposits to the bank on a daily basis, revenue reports are only prepared twice a month and there is usually a lag time between when the reports are prepared and when they are entered into the system.

1. Decline in Revenues due in part to downtown construction project, may need transfer from General Fund

2. Timing difference - Waiting for reimbursements.

3. Timing difference - We've only received 4 months of Gas Taxes, and streets maint. is expected to decrease in winter
