

STAFF REPORT

Report To: Board of Health

Meeting Date: September 21, 2017

Staff Contact: Nicki Aaker, Director; naaker@carson.org; Dustin Boothe, Environmental Health/Epidemiology Division Manager

Agenda Title: For Possible Action: Update presented to the Board of Health, and possible discussion and feedback on the progress made to date and future timeline for bringing forth regulation revisions to the Carson City Municipal Code (CMCC) 9.05 Food Establishments and the public notification system.

Staff Summary: The Environmental Health presentation is an opportunity to update the Board of Health on the progress made to date and the future timeline for bringing forth regulation revisions to CMCC Chapter 9.05 governing restaurant inspections to include the certified food manager on premises requirement and the addition of outdoor food establishments and outdoor food carts. The timeline will include proposed dates of industry meetings to obtain feedback on the proposed code revisions. In addition, the progress on the card system and the inspection report redesign will be presented.

Agenda Action: Formal Action/Motion

Time Requested: 20 minutes

Proposed Motion

I move to provide _____ feedback, as direction to staff regarding the Environmental Health presentation.

Board's Strategic Goal

Quality of Life

Previous Action

On June 1, 2017, the Board of Health directed staff to bring forth food code revisions to the food code, including the public notification system, requirement of a certified food manager on premises, adding outdoor food establishments and outdoor food carts, and a cooperative revision of the inspection form.
