Chapter 2.14 - CARSON CITY AUDIT COMMITTEE

Sections:

2.14.010 - Introduction.

As the demand for enhanced accountability and the increased examination of an adequate system of internal controls occurs in the public sector due to the Sarbanes-Oxley Act, so does the significance and importance of an audit committee.

The independence and objectivity between the Carson City audit committee and the city's management team ensures that internal controls are a key management objective of the city's operation. The Government Finance Officers Association and the Institute of Internal Auditors encourage the effective use of an audit committee in the public sector and considers this committee an integral element of public accountability and governance. The Carson City audit committee plays a key role with respect to integrity of the city's financial information; its systems of internal controls, the legal and ethical conduct of management and employees, and is an invaluable tool for ensuring that those responsible for financial management (management, auditors, and governing boards) meet the respective responsibilities for internal control compliance and financial reporting. Additionally, the Carson City audit committee provides a vehicle for open communications between the board of supervisors, the city management team, internal audit, and the independent external auditors.

(Ord. 2008-10 § 3, 2008)

2.14.020 - Purpose of the Carson City audit committee.

The role of the Carson City audit committee is to maintain oversight of the auditing function, both internal and external resulting in increased integrity and efficiency of the audit processes for the city and the city's system of internal controls and financial reporting. The committee has three primary characteristics for it to successfully fill its obligations:

1. Independence. The Carson City audit committee will be independent both in fact and in appearance and requires processes to be in place to ensure such independence is maintained at all times.
2. Communication. The Carson City audit committee will maintain an open line of communication with the board of supervisors, city management, internal and external auditors; providing direction for the city's audit function and a framework of accountability.
3. Accountability. The Carson City audit committee contributes to the integrity of the financial reporting process and reinforces the culture of a strong system of internal controls throughout the city.

The Carson City audit committee shall provide oversight to the city's internal controls by assuring that the system of internal controls established by management are reviewed on a regular and systematic basis for functionality and effectiveness. The Carson City audit committee's duties shall include, but are not limited to, development of the risk assessment and annual work plan, review of all individual audit reports, review of the annual report of audits completed, review the status of corrective actions, the annual budget, and the performance of the internal auditor. Upon completion of these reviews, the Carson City audit committee will make appropriate recommendations to the board of supervisors.

(Ord. 2008-10 § 4, 2008)

2.14.030 - Composition of the Carson City audit committee.

1. The Carson City audit committee will be independent and objective in its collective mindset individually and as a group. The committee will reflect the following attributes:
 - a. Excellent communication skills with each other and with others;
 - b. A willingness to fully participate in complex and sensitive matters that require resolution;
 - c. Public accounting, governmental accounting and auditing experience.
2. The Carson City audit committee shall be comprised of five (5) members; one (1) member from the board of supervisors and four (4) members from the public at-large.
 - a. One (1) member of the Carson City audit committee will be selected from the board of supervisors. The board member shall be selected each January when the board of supervisors addresses board and commission assignments.
 - b. The four (4) members at-large of the Carson City audit committee will be interviewed and selected by the board of supervisors. These members should have experience in financial services, public accounting, and/or governmental auditing, and current knowledge of public laws and regulations governing an audit committee. The terms shall be for staggered two (2) years; expiring on each alternate year.
 - c. The members at-large shall not accept any consulting, advisory, or other compensatory fees from the city and may not be an affiliated person with the city or any subsidiary thereof.
3. Should a vacancy occur in any position on the Carson City audit committee, the board of supervisors must follow the procedure set forth above to select a new member for the committee. The selection must occur within one (1) month of the vacancy occurring.
4. When deemed necessary, the Carson City audit committee may request that the city manager and other management employees attend a Carson City audit committee meeting in an advisory capacity. This individual may be requested to provide necessary information relative to internal controls, data, and analysis related to the specific objectives of the Carson City audit committee.
