Staff Report To: Redevelopment Authority Citizens Committee

Meeting Date: March 5, 2018

Staff Contact: Lee Plemel, Director (lplemel@carson.org; 283-7075)

Agenda Title: For Possible Action: To make a recommendation to the Redevelopment Authority regarding the expenditure of \$3,000 from the FY 2018 Special Event budget of the Redevelopment Revolving Fund for the rental of special event tents for the Carson City Fair at Fuji Park.

Staff Summary: The Redevelopment Agency annually funds special events from a portion of the Revolving Fund. A total of \$30,000 was allocated in the FY 2018 budget for Redevelopment Special Events, and \$14,000 has already been authorized for expenditure for events, leaving \$16,000 available in the budget for other events. A recommendation is required from the RACC and approval by the Redevelopment Authority and Board of Supervisors is required to authorize the expenditure of the funds. This request replaces a prior request for \$5,000 to purchase a tent for the Fair.

Proposed Motion: I move to recommend to the Redevelopment Authority approval of the expenditure of \$3,000 from the FY 2018 Special Event budget of the Redevelopment Revolving Fund for the rental of special event tents for the Carson City Fair at Fuji Park.

DISCUSSION:

The RACC recommended \$5,000 in funding on February 5, 2018, to purchase a large event tent for Fuji Park. After further discussions with City management and Parks and Recreation management after that meeting, it has been determined that City departments cannot take on the additional management and liability of such equipment. Therefore, staff has been directed to bring the item back to RACC and the Redevelopment Authority to consider authorizing funds to rent tents for the 2018 Carson City Fair in lieu of the proposed tent purchase.

Of the \$30,000 allocated for special events in FY 2018, \$14,000 has been authorized so far this year. This leaves \$16,000 available for events for the remainder of FY 2018 (prior to June 30, 2018).

Lindsay Chichester from the Cooperative Extension will be available at the RACC meeting to answer questions regarding the 2018 Fair and funding for the tent rental needs.

If you have any questions regarding this item, please contact Lee Plemel at 283-7075 or lplemel@carson.org.

Special Event Funding Request Form – Carson City Fair, Lindsay Chichester

Event description and objectives. Include history of the event and importance to the community.

From the best I can tell, the Capital City Fair started in 1980 and ran until 1992. In 2014 there was the Sesquicentennial Fair and in 2015 the Nevada Fair. In 2016, the leadership at the Carson City Cooperative Extension Office changed and Carson Board of Supervisors decided to no longer provide direct financial support for a fair. Also in 2016, the Nevada State Fair, LLC came to Carson City, but it was more of a large carnival rather than a fair. Many people indicated they wanted a traditional fair, which included youth and agriculture, to return to Carson City. In September 2016, the Cooperative Extension Office, in conjunction with RSVP, the Antique Tractor and Engine Club, Carson City Culture and Tourism Authority, the Nevada Appeal, Carson City Chamber of Commerce, FFA, other city office representatives as needed, and interested persons from the community began planning a Carson City Fair for 2017.

The 2017 Carson City Fair went great. It was small, but ran very smoothly and was well received by the community and participants. Planning for the 2018 Fair began almost immediately following the 2017 Fair. There were several additions to the committee and we have been months ahead of getting promotion and marketing materials out into the community and to potential sponsors and donors.

One of the main goals is that the model for the fair become sustainable and financially secure for years to come. Additionally, the intent is that the Fair will be a community supported fair, meaning not only have non-profit groups taken the lead on planning it, but businesses and persons in and around the Carson City area will need to help offset the costs through sponsorships and donations. Volunteers are also be a large component of making the fair a success.

Not only will the Carson City Fair provide local youth the opportunity to showcase livestock, static items, and horticulture exhibits, it will give the citizens of the community a chance to enter static items too. Families will be able to come out and experience all that a fair has to offer with antique tractor events, a carnival and vendors, evening and daytime entertainment, livestock, daily contests, and more.
