## **Proposed Motion**

I move to adopt, on second reading, Bill No. 106, Ordinance No. 2018-\_\_, an ordinance relating to marijuana; amending Title 18 (Zoning), Appendix A (Development Standards), Division 1.20 (Medical Marijuana Establishments and Marijuana Establishments) of the Carson City Municipal Code to amend and clarify regulations governing signage for medical marijuana establishments and marijuana establishments.

## **Board's Strategic Goal**

Quality of Life

## **Previous Action**

The Planning Commission recommended approval of the proposed ordinance on March 28, 2018, by a vote of 5-1 (1 absent).

The Board of Supervisors introduced the ordinance on April 19, 2018, by a vote of 4-0 (1 absent).

## **Background/Issues & Analysis**

On October 5, 2017, the Board of Supervisors adopted an ordinance regarding the regulation of marijuana establishment. In the writing of that ordinance, a sentence referring to a specific section of the sign standards in Division 4 for Office Uses was inadvertently deleted as part of the ordinance cleanup verbiage. The purpose of this ordinance is to correct that error and incorporate the sign standards for marijuana establishments into the marijuana establishment section of the Development Standards rather than referencing sign standards elsewhere in the code.

Through the adoption of Medical Marijuana Establishment standards in 2015-2016, the permitted sign area for each business was limited to wall signs a maximum of 15 square feet in area per building frontage, plus a

freestanding sign of no more than 32 square feet in area, consistent with signs allowed for Office Uses per the Development Standards Division 4.7.3 (Office Building Uses). When the newest ordinance was adopted to allow “recreational” marijuana establishments, there was no intent to modify these sign limitations. However, that ordinance included the following amendments to the paragraph applicable to signage:

*h. ~~[Sign Requirements.] All [MME] signage [shall] for Medical Marijuana Establishments and Marijuana Establishments must be discreet, professional[;] and consistent with the traditional style of signage for pharmacies and medical offices. All [MMEs shall follow the sign regulations for Office Uses in the Development Standards, Division 4] signage for Medical Marijuana Establishments and Marijuana Establishments must satisfy the requirements set forth in Division 4, except that the height of a freestanding sign [height] for [Cultivation Facilities, Production Facilities, and Testing Laboratories shall be] the following facilities is limited to not more than ten [10] feet, as consistent with sign height requirements for industrial uses[;] :~~*

*(1) Medical Marijuana Cultivation Facility and Marijuana Cultivation Facility.*

*(2) Medical Marijuana Product Manufacturing Facility and Marijuana Product Manufacturing Facility.*

*(3) Medical Marijuana Testing Facility and Marijuana Testing Facility.*

The applicable verbiage that limited marijuana establishments to the same signage as office uses is highlighted in bold in the above passage.

As introduced by the Board of Supervisors on April 19, 2018, the ordinance does not change any of the sign standards as originally adopted for Medical Marijuana Establishments and as intended to be carried forward with the adoption of sign standards for Marijuana Establishments.

otherwise forfeits the required state approval to operate. A Special Use Permit issued in accordance with this Division is not transferable between operators and locations within Carson City. Except as otherwise provided in this Division and notwithstanding any other provision of CCMC, a separate Special Use Permit is not required for a Medical Marijuana Establishment or Marijuana Establishment that will be established in an existing location at which a Medical Marijuana Establishment or Marijuana Establishment in good standing already operates.
