Subject Title: Action to remove one proposed bill draft request from the Carson City Legislative agenda regarding the rising cost of long term care.

Staff Summary: The Board of Supervisors had previously adopted a legislative agenda that included two bills to address the rising cost of long term care. One bill proposed to pursue a 5 cent property tax override to cover these rising costs. The other bill was a "placeholder" bill that would allow us to propose other solutions. At this time, an alternative solution to the issue have not been identified, therefore, we will not need the second long term care bill draft.
