The applicant who has asked you to review and sign this application is applying to be considered eligible for JAC Assist ADA Complementary Paratransit Service, which is intended only for those trips that the applicant cannot make on JAC fixed-route bus service.

This is primarily a transportation decision, not a medical decision. This application is intended to determine when and under what circumstances the applicant can use JAC fixed-route bus service and when he/she requires ADA Complementary Paratransit Service.

Please review the information provided by the applicant in **PART A** of this application and then answer the questions below:
