

PUBLIC NOTICE

MANDATORY RESIDENTIAL SOLID WASTE COLLECTION

Mandatory Residential Solid Waste Collection begins July 1, 2019. Residents who self-haul to the Carson City Landfill on a monthly basis will be able to apply for an exemption from mandatory service. In order to qualify for this exemption, monthly original receipts from the Carson City Landfill shall be presented as proof of self-hauling for January thru June 2019 along with a completed application in order to NOT have curbside service begin on July 1, 2019. **Please save your original landfill receipts in order to be eligible for this exemption. Photo copies will not be acceptable.**

The initial monthly rate for curbside collection service will be \$17.59 and includes weekly garbage service (1 cart) and every other week recycling and yard waste service (up to 2 carts each) plus four bulky item pick-ups each year.

For further information, please contact Waste Management at (775) 343-7596 or visit them at 5560 Sheep Drive, Carson City.
