Welcome to the Motorized Portion of Prison Hill

Where Can I Ride?

Currently, none of the trails are signed with trail numbers or marked with direction arrows.

Signing will be implemented in Phase 3 of the project. Until then:

- Ride only existing routes
- Crawl only on areas that show evidence of prior use
- Stay out of subdivisions
- Stay within the OHV area

What Can I Do To Help?

- Comply with all signs and posters
- Follow the Ride Right rules
- Stay on existing routes and open areas
- Pack out your trash.

Ride Responsibly

Respect Other Users

Riding Safely

All trails are 2-way travel. Watch for blind corners, turn your lights on and consider using a safety flag.

All trails are multi-use – pull over and shut-down engine when meeting non-motorized users.

Watch for younger, less experienced riders and other recreationists.

Prison Hill is Day Use Only.
**What is Happening Now?**

Work has started on a series of projects to improve the trails and facilities at Prison Hill. These projects will take place over the next two years and include:

<table>
<thead>
<tr>
<th>Phase 1 (2018):</th>
</tr>
</thead>
<tbody>
<tr>
<td>o Site assessment</td>
</tr>
<tr>
<td>o Public involvement</td>
</tr>
<tr>
<td>o Development of Management Plan</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Phase 2 (2019):</th>
</tr>
</thead>
<tbody>
<tr>
<td>o Begin education</td>
</tr>
<tr>
<td>o Develop trail &amp; facility concept plans</td>
</tr>
<tr>
<td>o Perform trail &amp; facility design</td>
</tr>
<tr>
<td>o Develop sign &amp; monitoring plans</td>
</tr>
<tr>
<td>o Begin implementation</td>
</tr>
<tr>
<td>o Identify &amp; sign the area boundary</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Phase 3 (2020-2021):</th>
</tr>
</thead>
<tbody>
<tr>
<td>o Continue education</td>
</tr>
<tr>
<td>o Complete implementation including: staging area improvements, new kiosk, toilet(s), quality trails, a Tot Lot, beginner area, rock crawl &amp; trials areas, &amp; a developed Summit Loop</td>
</tr>
</tbody>
</table>

**How Will This Affect Me?**

During construction there will be some temporary closures of the OHV area to ensure the safety of users and contractors.

You will need to meet the requirements listed below:

**RIDE RIGHT**

**NEVADA OHV REGISTRATION (REQUIRED)**

**APPROVED SPARK ARRESTOR**

**SOUND 96dbA MAX**

*Future Carson City ordinances

For a complete list of Nevada OHV Laws go to [https://ohv.nv.gov/](https://ohv.nv.gov/)

**OHV Tech Checks – R U Legal??**

Future complimentary tech checks will be conducted at the staging area

This work is funded by the Nevada OHV Commission, the Federal Highway Administration/Recreational Trails Program, & Polaris. It is a cooperative effort between those entities, Carson City, the National Off-Highway Vehicle Conservation Council (NOHVCC), and RecConnect, LLC.
