

**PUBLIC INFORMATION ON AN AMENDMENT TO THE CARSON AREA  
METROPOLITAN PLANNING ORGANIZATION UNIFIED PLANNING WORK PROGRAM (UPWP)**

The proposed amendment will shift funding for planned activities in the Carson Area Metropolitan Planning Organization's (CAMPO) Fiscal Years 2019/2020 Unified Planning Work Program (UPWP). The amendment adjusts individual task budgets to account for Fiscal Year 2019 carryover funding and scheduled benchmarks in accordance with ongoing resource availability. The amendment also includes the addition of the Draft 2050 Regional Transportation Plan (RTP). Copies of the draft amendment are available at the Carson City Public Works Department office located at 3505 Butti Way and on the CAMPO website at [www.carsonareampo.com](http://www.carsonareampo.com).

The UPWP defines the continuing, comprehensive, and cooperative regional transportation planning process for CAMPO. It established regional planning objectives for Fiscal Years 2019 and 2020, covering the period of July 1, 2018 through June 30, 2020, and includes a corresponding budget to complete the work. An official 30-day public comment period for the UPWP amendment opened on January 7, 2020, and closes on February 7, 2020. Staff is available Monday through Friday between 8:00 a.m. and 5:00 p.m. to meet with the public and to answer any questions regarding the UPWP. Public comments are encouraged during this time.

Comments and questions may be directed to staff via the following options:
